SECGC – State Employee Charitable Giving Campaign

35 Years of Giving | Powered by the People Who Serve

OVER \$11,500,000 RAISED

Thank you for being part of a proud, 35-year tradition of supporting nonprofits across Montana. In those 35 years, state employees have raised over \$11.5 million for nonprofits that strengthen every corner of our state.

This year marks the 35th anniversary of the State Employee Charitable Giving Campaign (SECGC), and once again we invite you to make a difference by donating to your favorite nonprofits through workplace giving.

Your Impact

As a state employee, you make Montana stronger—not only through your service every day, but also through your generosity. Studies show that each dollar donated through SECGC generates a \$3 economic impact. That means together, employees have created more than \$33.6 million in benefits for Montana communities.

That's not just numbers. That's real meals, safe housing, clean water, health programs, youth services, and so much more—made possible because of you.

How to Give

Workplace giving is simple:

Click-and-Give: Visit secgc.mt.gov to donate online.

Payroll Deduction: Give a little each paycheck and watch it add up.

One-Time Donation:

Contribute by cash, check, debit, or credit card.

Last year, over 98% of employees gave online using Click-and-Give. Paper pledge forms are still available through your department coordinator if you prefer.

Every Dollar Counts

If you're new, welcome! Unsure how much to give? Consider starting with one hour's pay per pay period—or choose an amount that fits your budget. Whether \$5 or \$50, it all adds up to life-changing impact.

Incentives and Prizes

To keep things fun, we'll again be offering weekly prize drawings throughout the campaign, thanks to generous businesses and nonprofits across Montana. Winners will be announced every Monday via email and on the SECGC Facebook page. This Year's Goal Last year, employees contributed over \$364,000. This year, our goal is to break through the \$400,000 mark—which would mean a \$1.2 million community impact statewide.

Will you be part of the movement?

Why It Matters

For many nonprofits, SECGC donations provide steady, reliable funding that keeps programs running strong. From youth mentorship and food security to environmental protection and veteran support, these organizations count on you.

Together, We're Stronger

SECGC is *more than a campaign. It's a movement.* A reflection of how deeply Montana's state employees care about their communities. By giving, **you're not just donating—you're lifting people up, creating hope, and building a brighter Montana for us all.**

Join us this year in making Montana stronger—together.
