

**Montana State Employee
Charitable Giving
Campaign**

2022 Giving Guide

\$10,425,000 RAISED

Thank you for being part of a proud, 31-year tradition of supporting nonprofits in our state. In those 31 years, state employees have raised over \$10,425,000 for nonprofits in our state.

This is the 32st year that the State Employee Charitable Giving Campaign has allowed employees to donate to their favorite nonprofits through payroll deduction.

Now is the time we can personally make our state stronger by supporting our favorite nonprofits through workplace giving.

As a state employee, you make a big difference in the lives of Montanans, both in the work you do every day and in the donations you make to the organizations throughout the state. Research has proven that every dollar given returns a \$3 economic impact in your community. That means over the last 31 years, state employees have **made a \$31 Million impact in their communities across Montana!** You are incredible, and truly some of the biggest hearts residing under the Big Sky.

For many of the organizations, SECGC donations are their major source of funding. These groups depend on your regular payroll deduction or one-time donations.

If you haven't given before, Welcome! How much should you give? How about starting with one hour's pay per pay period? Of course you can feel free to give more, as many state employees do. Or, select your groups and decide by group. Regardless, all donations really do add up for these organizations over the course of the year.

For additional motivation, we offer weekly prizes as incentives. These prizes are donated by businesses and nonprofits throughout the state as a thank you. The weekly winners are shared via email and Facebook page every Monday throughout the campaign. To find out more about the prizes, be sure to visit the website!

<https://charitablegiving.mt.gov/>

Last year more than 98% of donations were completed through the Click-and-Give website. (<https://secgc.mt.gov>) If you would rather give by cash or check, please fill out a paper pledge form found on the SECGC page listed above and return to your department coordinator.

Join us in beating last year's total of \$429,300 and 13.8% employees participating. **Our goal is to break \$450,000 this year.** Will you be a part of a \$1.35M impact to make Montana the best it can be? Thank you for your generosity.

**Help us raise \$450,000 for nonprofits across
Montana!**

**Workplace giving is so simple. Pledge once and
you are done for the year.**
